The MAG is found in many repair-shop all over the world.

Enjoy! *Jeff*

JLS Key-Pin-Punch

Part-Number ▶ S-233047	Price CHF ▶ 202.--
------------------------	--------------------

The ultimate pin removal tool

The J.L. Smith Key Pin Punch allows you to safely and easily loosen even the toughest pins without ever harming the keys or shafts.
2 pin-punches (pointed and concave) allow you to work pins that are slightly raised and a third needle punch with a pilot sleeve allows you to tap loose any longer pins.
Included a light and 4 individually shaped anvils to support various keys on flutes and piccolos.
That tool is love at first sight.!

Enjoy! *Jeff*
