Top-Cap and Valve-Stem Washers

Part-Number	Price CHF
-------------	-----------

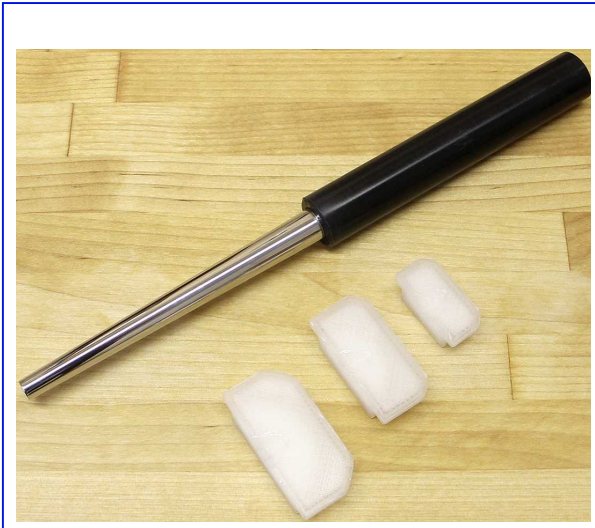

Top-Cap washers
made of Q2-Felt charcoal colored

Valve-Stem washers
made of Q-Felt light grey color

find all options in our online-catalogue brasswind
www.jlsmitheurope.eu

Q-Felt is made of 100% recycled material and won't get hard with age. Very dimensionally stable and more dense than traditional felt

Enjoy! *Jeff*

Sax Tone Hole Lift Set

Part-Number S-233060	Price CHF 73.--
----------------------	-----------------

The Sax Tone Hole Lift Set is cleverly designed for lifting low spots on thoneholes prior to facing them. Set includes 3 different plastic fulcrums and one burnisher. The fulcrums are set atop the hole opposite a low spot. The tapered burnisher is designed to give excellent control and power when lifting as it sits in the notch on the top side of the (fulcrum) saddle.

Enjoy! *Jeff*
